When we decided upon sending a few civilians for training Capt. Hughes was the idea of training them to occupy the higher places in the Deptt. in due course. And that was why young & efficient officers like Messrs. Mackenzie & B.T. Rowlands were brought & the former was actually sent for the classification work & for work on the re-settlement. The primary object of the Deptt. is undoubtedly for the purpose. It is therefore necessary to consider the proposals of the Deptt. at the early moment of convenience.

Under His Highness' orders dated the 11th March 1921 an additional officer from the Civil Service, Mr.K.V.Anantaraman, was deputed to the Survey Department in connection with re-settlement operations.

2. Mr.K.V.Anantaraman joined the Survey Department, but owing to eye troubles, he had to proceed on leave. On his return from leave, he was posted as Special Magistrate to enquire into the Akkur Murder case and afterwards to the charge of the City Magistrate's Court, Mysore. He has since been posted as Special Magistrate, Kolar Gold Fields.

3. The Survey Superintendent now represents that if the expanded programme of settlements is to be carried out, the appointment of a second Assistant Settlement Officer in place of Mr.Anantaraman is absolutely essential. He has selected Mr.M.S.Hayagriva Rao, acting Assistant Commissioner in charge of the Shimoga District Treasury.

4. When the papers were finally submitted to me I noted that when we decided upon sending one or two Civilians to the Survey Department, it was with the idea of training them to occupy the higher places in the Department in due course and that was why young and efficient officers like Messrs.K.V.Anantaraman and B.T.Kesava Iyengar were selected. The present nominee of the Superintendent is not likely to serve the purpose.

Dear Sir,

With reference to your DO letter 633/CB dated the 4th instant, on the subject of selecting an Officer in the stead of Mr. K.V. Ananthanarayan who has not been able to continue training in the Survey Department, I beg to inform you that if the greatly expanded programme for Settlements upto the year 1924-25 is to be carried out, it is absolutely essential that a second Assistant Settlement Officer be appointed. Having thought the matter out very carefully, I consider that with a season's training in fieldwork with particular attention to classification, an Officer of the stamp

of Mr. M. S. Hayagrivarao Ag. Asstt. Commr. would suit the requirements of the Settlement Department we beg accordingly that his transfer to the Department with effect from November next may be kindly ordered

The Survey Superintendent represents that if the expanded programme of settlements is to be carried out, an additional Assistant for settlement work is absolutely essential, in place of Mr. Anantaraman, Govt. agree in this view and consider ~~also~~ that a fairly ~~fully~~ Senior officer from the general line should be posted to the Survey Deptt. for being

Sir,

adverting to G.O. No. 2053-8 Dt. 12.10.21 C.B. 97-21-4 posting two D.S.I. for training to the Sur. Dept. I am directed to state that it is learnt that two D.S.I. have already received the following training :-

	months
(a) Surveying, measuring, Bandh palpain & plotting -	4½
(b) Monsoon or tabasil work.	1½
(c) classification (soils, water-supply & also of garden lands)	1½

(2.) It will thus be seen that it is unnecessary and somewhat of a waste of energy to repeat these preliminary features in elaborate detail over again. It is desirable that he should, after rapidly covering the old ground, pass on to the higher & really essential branches of the work — the principles of re settlement and of revision settlement.
